Dear José Octavio Molina Nava,

Congratulations! It gives me great pleasure to inform you that you have been admitted to the College of Liberal Arts at the University of Minnesota Twin Cities for fall semester 2018.

We commend you for your hard work, and we believe your accomplishments have prepared you well to thrive at the University of Minnesota. When you step on campus as a Golden Gopher in the class of 2022, you will be immersed in our world-class academic programs and will shape your future in cutting-edge facilities. Get ready to connect with some of the world's greatest minds - - from your dedicated professors to your inquisitive peers.

By choosing the U of M, you choose an exceptional experience that only a top research university can provide. When you choose the University of Minnesota, you will...

- * Discover your academic inspiration. With thousands of courses to pick from each semester, you can engage with faculty who are leaders in their fields and make meaningful connections with your fellow students in our technology-packed active learning classrooms. At our major research university, you can go beyond the textbook and dive into undergraduate research projects, working one-on-one with a professor.

- * Share your strengths. At the U of M, your college experience goes beyond the classroom. Your knowledge and talents can shine in one of our 900+ student organizations. And we encourage you to broaden your perspective both on campus and across the globe through more than 300 study abroad programs.

- * Find your home. Campus is nestled in the center of Minneapolis and St. Paul, where you can intern at one of the 17 Fortune 500 companies or thousands of startups and non-profits in the Twin Cities. Career planning support at the U of M will help you take advantage of our great location to achieve your professional goals.

- * Value your investment. The U of M is committed to four-year graduation, which lowers your costs and gets you an internationally recognized degree sooner. Upon graduation, you and your classmates will have lots of career and graduate school options. We will help you make the most of your four years invested here so that you are prepared for a bright future. In recognition of this, the University has been named a "best value" by Forbes, Princeton Review, and Kiplinger's.

On behalf of our faculty and staff, I congratulate you again on your admission to the University of Minnesota. We are honored to have you join our academic community. In the coming weeks you will receive additional information about your next steps to becoming a U of M student. Welcome to the Class of 2022!

Best wishes,

Heidi Meyer
