I accept this financial aid offer. By accepting this offer, I understand:

- * I will have costs that are not covered by the financial aid award.
- * These costs are my responsibility to pay for each of the semesters and/or years that I am a student at Whitworth. Payment for charges not covered by financial aid will be paid to the student accounting services office by the due date specified in my billing packet. Non-payment by the due date will result in all my classes being dropped for that term.
- * I must be a full-time student working toward a degree, and maintain a 2.0 cumulative GPA in order to receive these funds.
- * I must abide by all Federal Immigration requirements, which include off campus work limitations, in order to receive any portion of this award.
- * International students with appropriate visa types may be able to work on campus up to 20 hours per week. Work is not guaranteed. International students must apply and be hired for employment.
- * Financial aid awards for international students are typically based on the student living on campus. I will notify the financial aid office if I choose to live off campus and I understand that my financial aid award may then be subject to change.

For students enrolling for the first time, you are required to pay a \$5000 deposit.

For questions, please contact the Whitworth University Financial Aid Office at 800-533-4668 or 509-777-3215.
