CONGRATULATIONS!

Congratulations on your UA Scholarship!

Dear José Molina Nava,

Congratulations, in recognition of your demonstrated academic excellence you have been selected to receive an International Tuition Scholarship at the University of Arizona! You have been awarded a scholarship in the amount of \$12000 per academic year, beginning in Fall 2018.

The terms and conditions to receive your scholarship are as follows:

- Recipients must be an undergraduate student.
- Students must pay the \$395 Enrollment Fee by May 1, 2018 for freshmen admits and June 1, 2018 for transfer admits.
- Students must complete a minimum of 30 units at the University of Arizona each academic year and register for a minimum of 12 units each fall and spring semester.
- Students must maintain a cumulative grade point average (GPA) of 3.00 or higher.
- The award will be distributed after the student has enrolled in full-time (12 or more UA units) coursework for the fall or spring, with half the scholarship amount allocated to each term.
- Provided that the renewal criteria is met each year, the award can be utilized for a maximum of 4 years (eight consecutive semesters) of attendance for freshmen and 2 years (4 consecutive semesters) for transfers, or until first bachelor's degree program is completed, whichever occurs first. Awards do not cover summer session or winter intersession courses.
- The International Tuition Scholarship cannot be used to pay the enrollment fee.

- This award is for non-resident tuition only. If you are receiving multiple scholarships from the University of Arizona (for example, the Arizona Sonoran Tuition Award or a departmental award), the higher valued award will apply instead of the International Tuition Scholarship.
 - If you become a resident of Arizona, your scholarship will be adjusted to cover a proportional amount of resident tuition.
- If you are a government sponsored student who is funded for the second year and on, this award is only valid for the first year.

You will be required to attend a mandatory meeting for scholarship recipients during International Student Orientation. The meeting will provide important detailed information regarding your tuition award and renewal. Your student bursar's account will be credited with the award after you have registered for a minimum of 12 units.

If you do not wish, or are unable, to accept this scholarship, please send an email to parveza@email.arizona.edu.

Sincerely,

Akhtar Parvez
